

**Imperial College**  
London

## **Hammersmith Advanced Clinical Cytopathology Course**

**1-6 February 2010**

**Held at Imperial College- Hammersmith Hospital campus - Commonwealth Building**

The Advanced Course in Clinical Cytology is organized by the Department of Histopathology and is aimed at Consultants, Pathologists in training, Advanced Practitioners and Senior BMSs with a special interest in Cytopathology. The course will consist of a series of five daily workshops, organized on a systematic basis and followed by discussion of morphology, differential diagnosis and special techniques, lead by an international expert on the subject. All participants are encouraged to access the cytology course "[www.eurocytology.eu](http://www.eurocytology.eu)". On Saturday a slide seminar on pitfalls in all areas of cytology and a Mock MRCPATH exam will conclude the course. Normally 32 CPD credits are granted by the RCPATH.

### **Topics are:**

- Head and Neck Cytology
- Respiratory cytology
- Cervical Cytology
  
- Lymphnode Cytology
- Thyroid Cytology
- Pitfalls in cytology (a slide seminar)
