

Advanced Haematopathology

28th April – 2nd May 2008

This course is designed for haematologists and histopathologists with a special interest in haematopathology. The course focuses on the cellular and molecular pathology of the haemopoietic and lymphoid system with emphasis on microscopy and interpretation. The course includes microscopic evaluation of test cases and interpretation of immunohistochemistry by the participants, followed by discussion and review with the panel of experts.

Invited Speakers

J Apperley (London), B Bain (London), F Brito-Babapulle (London), D Clark (Grantham), L Foroni (London), R Hasserjian (Boston), I Lampert (London), M Layton (London), D Macdonald (London), K MacLennan (Leeds), E Matutes (London), K Naresh (London), A Rahemtulla (London), A Reid (London), I Roberts (London), D Swirsky (Leeds), S Wagner (London), A Wotherspoon (London).

Programme Summary

| | | |
|----------------------------------|------------------|------------------------------------------------------------------------------------------------------------------|
| Monday 28th | Morning | Haemopoiesis, acute leukaemia, myelodysplastic syndromes. |
| | Afternoon | Acute leukaemia and myelodysplastic syndromes. |
| Tuesday 29th | Morning | Chronic myeloid leukaemia, myeloproliferative disorders (histopathology). |
| | Afternoon | Myeloproliferative disorders (cytogenetic and molecular aspects), Megakaryopoiesis, hypereosinophilic syndromes. |
| Wednesday 30th | Morning | Chronic lymphocytic leukaemia, lymphoproliferative disorders (blood and bone marrow). |
| | Afternoon | Lymphoproliferative disorders (blood and bone marrow), advances in myeloma biology |
| Thursday 1st | Morning | Gene expression profiling, nodal lymphomas, myeloma. |
| | Afternoon | Hodgkin lymphoma, myeloma biology. |
| Friday 2nd | Morning | Thymic pathology, MALT lymphomas, extranodal lymphoid proliferations. |
| | Afternoon | Extranodal lymphoid proliferations, Quiz. |

CPD accreditation is being applied for.

Course fee: Booked and paid for by 31st March 2008 - £450
1st April 2008 onwards - £500
Price includes catering and course book

Course organisers: Dr M Layton, Dr I Lampert, Professor K Naresh, Professor B Bain, Dr D Swirsky, Dr D Macdonald, Dr S Marks
